Re: **Request to the ARC for house improvements**

To the ARC:

We (I) request to do the following: _____

(Use an additional sheet if necessary.)

We (I) understand that:

1. A copy of this application may (and likely will) be provided to our (my) neighbors on each side for their comments.
2. If a permit from Palm Beach County is required, it is my responsibility to obtain it.
3. If approved, the work must begin within 90 days and must be completed within 180 days. An extension may be requested.
4. If a dumpster is required for the project, the dumpster must be located on our (my) property and not on the road.
5. This application will be forwarded to all members of the ARC and a meeting will be convened to consider this application. This process will take at least 72 hours and realistically a week to ten days.

Included are drawings (if any) and pictures showing colors.

Thank you,

Instructions: Print, complete, sign, and send a scan or picture to
pennockpointeestates@gmail.com.
