

Pennock Pointe Estates

Board of Directors

Re: **Email and written communications**

The Florida Homeowners Association Act (FL720) requires that all communications from the HOA be mailed unless the homeowner consents to receiving notifications electronically. (paragraph 303 (1))

Obviously, it is much easier and much less expensive if we communicate with you by email.

Please sign below indicating your desires with respect to email and provide your email address (or addresses should you like multiple emails). *This is effective until you cancel it.* Please print this and sign it, then deliver this to the Secretary. You may email a copy to pennockpointeestates@gmail.com.

If your property is jointly owned, both people must sign. Thank you!

I (we) agree to **email**_____ I (we) desire everything via **postal mail**_____
